

NT Advisory Group (NTAG)
Action Item

8 July, 1999

99070803

Submitter Name: Eric Krum

Submitter Organization: GCCS-AF

Action Item Title: Certification of NT Segments

Narrative: Services and DISA certify NT mission segments. Segments are jointly used. Certification process should be the same for all NT segments no matter who certifies the segment. Need to bring all certification agencies together to coordinate testing processes and tools.

Assigned to: Eric Krum

Initial Due Date: Oct 99

Follow Up Action:
